AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 8th day of January, 1896.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Report, dated 21st December, 1895, from the Minister of the Interior, stating that the British Columbia Drainage and Dyking Company, as the successors of Messrs. Nathan and Mohun, have been authorized under the several Orders in Council in that behalf to purchase a tract of about 15,000 acres in extent known as the Pitt River Meadows, at the rate of \$5.75 per acre, so soon as they shall have reclaimed these lands by dyking and drainage.

The Minister states that by an Order in Council of the 7th March, 1893, for the reasons therein stated, this company was required to consent to the inclusion of that portion of the lands lying south of the Lillooet River, and containing about 2,034 acres, in the reclamation scheme of the Maple Ridge Dyking Commissioners who were dyking and draining certain adjacent lands under the provisions of The British Columbia Drainage, Dyking and Irrigation Act of 1894. A question thereupon arose as to the power of commissioners working under a Provincial Statute to levy assessments upon Dominion lands, and the Minister of Justice expressed the opinion that assessments to defray the cost of dyking which might be levied upon any lands brought under the operation of the said British Columbia Drainage Act, would constitute a tax within the meaning of section 125 of The British North America Act. An Order in Council was therefore passed on the 13th July, 1895, permitting the British Columbia Drainage and Dyking

Company to make a division of the tract of 2,034 acres lying south of the Lillooet River, amongst its shareholders for the purpose of enabling them individually to bring these lands under the operation of the local Drainage Act. By that Order in Council the Minister of the Interior was authorized to convey to such shareholders, individually, without waiting for the completion of the drainage, such portions of the tract in question as may fall to them respectively, upon filing in the Department of the Interior, certified copies of resolutions, under the seal of the company, duly authorizing the division of the said 2,034 acres as well as conveyances executed in proper form by the company to each individual purchaser, as aforesaid, and upon payment of the price originally stipulated, namely, \$5.75 per acre.

The Minister further states that it has been represented to him that in the reclamation of the said 2,034 acres the Maple Ridge Dyking Commissioners have expended a very large sum of money in erecting a dyke, which, however, was found insufficient to protect the land against the floods of 1894; that an additional expenditure of about \$46,000 has been found necessary to further raise the dyke, and that on account of this heavy expenditure it has been found necessary to greatly increase the rate of the assessments levied by the Commissioners. The President of the British Columbia Drainage and Dyking Company therefore, acting on behalf of the shareholders of that Company amongst whom the said 2,034 acres have been divided, and on whom the burden of the increased assessments falls, asks that the price of these lands be reduced to \$1 an acre.

The Minister is of opinion that, in view of the position in which the shareholders of the British Columbia Drainage and Dyking Company find themselves, as above stated, and also of the fact that the price of Dominion lands in the New Westminster District, which was \$5 per acre when the Company tendered for the Pitt River Meadow lands, has been reduced by an Order in Council of the 11th July, 1895, to \$1 an acre, this application is deserving of favourable consideration, he therefore recommends that the Order in Council of the 13th July, 1895, be amended by reducing the price of that portion of the tract to be reclaimed, lying south of the Lillooet River, as shown coloured green on the annexed map, and containing about 2,034 acres, from \$5.75 to \$1 per acre.

The Committee submit the above for Your Excellency's approval.

JOHN J. McGEE,

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 3rd day of January, 1896.

PRESENT :

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

ON a Memorandum dated 10th December, 1895, from the Minister of the Interior, submitting that by the Order in Council of the 25th of July last, the licenses of timber berths situate in the Railway Belt in the Province of British Columbia were permitted to pay dues on the timber cut by them at the rate of fifty cents per thousand feet B.M. instead of a royalty of five per cent. on the sales of lumber, and they were also entitled to receive a rebate of forty cents per thousand feet on manufactured lumber

exported from the Province, except upon lumber shipped to Manitoba or the North-west Territories.

That representations have been made to the Minister of the Interior by the licensees, that this new regulation makes the dues on the lumber sold in the Province and shipped to Manitoba and the North-west Territories higher than formerly when they paid a royalty of five per cent. on the sales, instead of a fixed rate of fifty cents per thousand feet.

The Minister states that lumber at the present time is selling in the Province of British Columbia at from \$7 to \$9 per thousand feet. The royalty thereon at five per cent. would therefore amount to from thirty-five to forty-five cents per thousand feet, being from five to ten cents per thousand feet less than the dues of fifty cents per thousand prescribed by the Order in Council of 25th July last, above referred to.

The Minister recommends, as it was the intention in passing the said Order to give relief to the licensees instead of burdening them with an additional tax on the lumber cut by them, that the dues on lumber sold in the Province and exported to Manitoba and the North-west Territories be five per cent. royalty on the sales, and that the dues on lumber otherwise exported from the Province be at the same rate less a rebate of forty cents per thousand feet.

The Committee submit the above recommendation for Your Excellency's approval.

4. As soon after the hour of meeting as there shall be a quorum present, the Mayor, if present, shall take the chair, and the members shall be called to order. If the Mayor is not then present the Clerk shall call the meeting to order until a Chairman has been selected to act during the Mayor's absence.

5. If the Mayor or other Chairman desires to leave the chair for the purpose of taking part in the debate or otherwise, he shall call one of the Aldermen to fill his place until he resumes the chair.

6. Every member wishing to speak to any question or motion shall rise from his seat uncovered and address himself to the Mayor or other Chairman.

7. When a member is speaking, no other member shall interrupt him except to call him to order.

14. When an amendment is moved it shall be put before any other amendment is moved and before the main question is put.

15. When an amendment is lost another amendment to the same question may be moved, but not by the member who moved such lost amendment.

16. When an amendment is carried it shall become the main question, and amendments to it may be moved accordingly.

18. The Council shall vote on all questions, except the election of municipal officers, by show of hands, unless some member demands a poll, in which case the Clerk shall call the roll and record the yeas and the nays, reading aloud the result in order that mistakes may be rectified, and shall hand the vote to the Mayor or other Chairman, who shall then announce it to the Council.

19. Two members of a committee shall form a quorum, unless the Council in any case order otherwise.

20. All reports of committees shall be submitted in writing. A committee may be appointed to take up any matter referred to a preceding committee which has not been discharged.

22. No by-law shall be read or introduced in the Council until a notice in writing, stating the general character of the measure proposed has been handed to the Clerk and read at a meeting of the Council at least one week previously, and leave has been granted by the Council for the introduction of the measure proposed.
